

A Time for Harvesting?

We asked you to pray for Fidji, who has been leading an evangelistic Bible study. Well...one girl got saved (Ludivine). Another one might be close to repenting and asking Jesus to be her Lord and Saviour (Marine). Patrick visited the service at the invitation of his hairdresser, who is a member of our church. He recently learned that he has a fast developing form of multiple sclerosis and is obviously thinking seriously about life and death. As he walked into our service, he sensed something quite different. Though he did not understand much of what he saw, he called to ask for more information. Will you pray that his mind and heart would be touched by the Spirit of God?

Baptisms

Glorious Sunday: 4 people were baptized! Dominique got saved after she saw the Gospel in her son's life. For medical reasons, we had to pour over the head of an elderly sister who decided nonetheless to obey Christ's command. John was abandoned in India and was left to die for 3 days before a nun took pity of him. God had his hand on this young man who heard the Gospel from a fellow music student – then met Rosemay, who later became his wife, who got baptized as well. Both are incredible singers. Then came a student, from a Christian home in Paris, who decided to join our church and move forward with the Lord.

Light on the Street

Please keep praying. We'll have a team of musicians from the US who will help with street evangelism during the camp. A lot of things need to be organized. Pray for unity of the team, and pray for the Lord to work through the young adults that are preparing the camp.

In the U.S.

Lori and Emilie will be in Ohio from June 24th until August 13th. Florent will be there from July 12th until August 3rd (speaking at Basore Road GBC (Dayton) on the 25th; Powell GBC on July 18th (Columbus) and in Winona Lake on August 1st). A big thanks too to several of you who have sent us gifts to help us cut down the price of the plane tickets!

The Move

We would like to ask you to pray with us about the sale of our house, and that we'd find another one. We are selling in order to send our kids to college, but will need somewhere else to live after. ☺ The house has been up for sale for 3 weeks now, and we've had a good number of visits. We are praying the sale will happen in the next couple of weeks, as we will be in the States for most of the summer. Then, we really want to relocate to a place that could be used as a tool to welcome anyone who needs to come - neighbors, unbelievers who are seeking, the youth from our church, and of course family and friends. Will you pray with us that God will lead, and that He would help this move to be less chaotic than the last one? Thank you!!

Florent & Lori
